Letter no. 245, dated 28.10.1948 from the Director of Archaeology requesting sanction to restore the claims of Sri. S. Srinivasachar, M.A., B.T., Junior Technical Asst. of the Dept.

The Director of Archaeology states that the post of Junior Technical Asst. of the Dept was next to the Gazetted post of the Asst. to the Director and that it had been equated with the post of a II nd class Lecturer in the University.

The states that due to the Re-organisation of the Dept and allocation of the officials, the post of the Junior Technical Asst. has become 5th in rank and that the official has become senior to two persons who

are non-graduates and ~~have~~ state that it is desirable to safeguard the interests of Sri. Srinivasa-chari so that it may be possible for him to function in higher vacancies of the Dept. by virtue of his general and technical qualifi-cations.

If the Director recommends, on the analogy of the grade of a IInd grade Lecturer in the University, the scale of pay of Sri. Srinivasachar may be revised to Rs. 150-10-200 as a special case. The extra work on this account is proposed to be met out of the savings of the Dept. under "Salaries".

8) It was ordered in the G.O. dated 19/10/44 that the vacancy of the Technical Assistant in grade Rs 75-5-150 be advertised as open to all communities 'G' and that a higher starting pay of Rs 100/- in the grade may be offered in case a candidate with exceptionally good qualifications was forthcoming.

9) The vacancy was accordingly advertised and Sri Srinivasachar M.A., B.T., was appointed as Technical Assistant on Rs 75/- in the G.O. dated 14/5/46.

10 When Sri Srinivasachar was appointed as Technical Assistant

only the following 3 posts were above the Technical Assistants' post (also called as Junior Technical Assistant).

1. Director of Archaeology on Rs 400-25-700
2. Assistant to the Director of Archaeology on Rs 150-10-200
3. Architectural Assistant on Rs 200-10-300

11) The department of Archaeology was reorganised in the G.O. dated 8/10/46 and in this reorganisation the post of the Architectural Assistant was abolished and instead, two posts called as Architectural Assistant and Archaeological Assistant on Rs 80-5-150 each were created. The post of the Junior Technical Assistant was placed below these posts. ~~with the~~ The relevant extract of the Annexure to proceed below:-

12 While submitting the proposals for the reorganisation, the Director suggested that for the posts of Architectural Assistant and Archaeological Assistant a degree in Archaeology would be required. It may be noted here that the proposal of the Director was to merge the post of the Junior Technical Assistant with the four posts of Assistant Archaeologists on Rs 80-10-150. This was not however accepted and the proposals were modified as stated above.

13. The allocation of the Department on the basis of the reorganisation was sanctioned in G.O. dated 4/5/1948. It is seen from the sanctioned allocation that prior to the revised allocation the post of the Architectural Assistant was vacant and Sri Srinivasachar, the Junior Technical Assistant was immediately below the Assistant to the Director i.e holding the 3rd place. In the revised allocation, for the posts of the Architectural Assistant and Archae-

logical Assistants Sri D. Nageshwara murthy Rao and Sri. R. Chakravarthi respectively were allocated and Thus Sri Srinivasachar took the 5th place in the restricted allocation.

14 Sri D. Nageshwara murthy Rao was a ~~Photographer~~ Draftsman in the Dept. on Rs 80/- in grade Rs 35-5/2-80 and he was proposed for the post of the Architectural Assistant on Rs 80/- in grade Rs 80-5-150-

15 Sri R. Chakravarthi was a Senior pandit on Rs 75/- in grade Rs 35-8-50-5-75. and was proposed for the post of ~~Architectural~~ Archaeological Assistant on Rs 80/- in grade Rs 80-5-150.

16 About Sri Srinivasachar who was ~~drawn~~ Junior Technical Assistant The Director States in letter Dated 30/10/46 as follows:-

"On the reorganisation the Junior Technical Assistant starts on a Salary of Rs 75/- while the others (he means the other Assistants) start on Rs 80/- personally The present incumbent of the

post, who was selected through advertisement and competition, is a man with a distinguished record in the University courses and with technical training in the field of Archaeology, I propose that his designation may be Technical Assistant with 'Junior' dropped. He is at present both Senior to both Mr. Nageshamurthy Rao and Rev. R. Chakravarthi. I suggest that he may be started on at least a pay of Rs 100/- and thus permitted to retain his seniority which he would otherwise lose."

'K' 17 In his subsequent letter dated 31/1/47, the Director states that "Mr. S. Srinivasachar M.A., Junior Technical Assistant is at present the Seniormost non-gazetted Officer in the Department. Originally this post has been linked up with the posts of Lecturers in the History Department of the Mysore University whose scales, I understand, have recently been revised from Rs 75-5-150 to 100-10-250. Accordingly I request that

Mr. Srinivasachar may be started on Rs 100/- with a view to preserve his seniority and in conformity with the Revised Scales of pay of the Lecturers in the Mysore University."

16 Again when the possibility of Sri R. Chakravarthi superseding Sri S. Srinivasachar on the former's appointment as Archaeological Assistant on Rs 80/- was brought to the notice of the Director, he stated

3' in his letter dated 7/7/47 That "the pandits of this department do not supersede any body. Mr. S. Srinivasachar, the Junior Technical Assistant, is getting Rs 80/- in the grade Rs 75-5-150. So no pandit supersedes him." ~~I am~~ ,

were sanctioned, was taken into consideration. The recommendation of the Director to give a higher scale of pay viz Rs100-10-150 and to give a starting pay of Rs100/- was not accepted by the Govt.

~~[illegible]~~

14. The qualifications possessed by Sri Nageshamurthy Rao and Sri R. Chakravarthi in promotion to the posts of Architectural Assistant and Archaeological Assistant were also considered at the time of sanctioning the allocation and it was only on the Special recommendation of the Director that they had experience in the field, though they had no academical qualifications. The two officials were promoted to the higher grade but with the clear understanding that the promotions did not affect the seniority of Sri Srinivasachar, who possessed all the required academical qualifications.

Department was sanctioned in the G.O. dated 4/5/48 i.e after one year and four months the original allocation Statement was submitted to Govt. on 22/1/47.

In the allocation Statement the order of gradation has to be maintained, which does not necessarily mean that the seniority is fixed once for all. In the present case it was clearly understood that Sri S. Srinivasachar will not be superseded by the other two but it was not clearly mentioned in the G.O. It has therefore resulted in a little Complication, which has to be solved only with reference to the foregoing references and not with reference to the existing Circumstances.

The prayer of Sri S. Srinivasa Char, as supported by the Director, is :

1) that he may be given the 3rd rank in the allocation so that he may have chances of functioning in the higher (Gazetted)

vacancies in the Department in preference to hot others, who are neither graduates nor possess the required qualifications to enable them to function in higher vacancies

2) That, on the analogy of the grade of a Second grade lecturer in the History Department of the University whose present scale is Rs 150-10-200 and which scale Sri. Srinivasachar would have also automatically secured had the Department continued under the University, he may be started on the revised scale pay of Rs 150-10-200.

23. As Re: the 1st request, the position has been made clear in the foregoing paragraphs and Sri Srinivasachar has every claim for the 3rd Rank in view of his high qualifications ~~and seniority in pay~~

4 As Re: the 2nd Request it is a matter left entirely to the discretion of the Govt. But taking into consideration the qualifications possessed by the incumbent and

GOVERNMENT OF MYSORE

Archy 1-45-7

No. 245
Encl. one statement

Department of Archæology,

Mysore, ...28th..October,..194 8.

FROM

THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.

To

The Education Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

I have the honour to forward herewith for your kind consideration and favourable orders an application from Sri S.Srinivasachar, M.A.,B.T., Junior Technical Assistant to the Director of Archaeology praying that his status might be restored in the Department and that he might be granted a better scale of pay than those of the Archaeological and Architectural Assistants who have superseded him consequent on the Reorganisation of the Department sanctioned in G.O.No.E.2794-95/Archy 2-44-35 dated 8th October, 1946 and the allocation of the officials sanctioned in G.O.No.E.9130-31/Archy 3-46-25 dated 4th May, 1948.

Sri S.Srinivasachar, M.A,B.T., is a distinguished alumnus of the Mysore University possessing excellent general and technical qualifications on the basis of which he was selected for the post he now holds by a special Committee constituted for the purpose by Government as far back as 1945. At that time, the post of Junior Technical Assistant was next only to the Gazetted post of Assistant to the Director and had been equated with the post of a second class lecturer in the University. (Vide G.O.No.E.4689-90/Uni 36-42-36 dated 27th April, 1943).

With the separation of the Department from the University the post was surrendered to the Department of Archaeology (G.O.No.E.4.1840-3/Uni 42-43-37 dated 19th October, 1944) and continued as the senior-most non-gazetted post. But as a result of the Reorganisation order and the allocation of the several officials of the Department, the post has been relegated to the 5th rank and Sri S.Srinivasachar has become junior to two persons who are neither graduates nor possess the required qualifications to enable them to function in higher vacancies. It is therefore highly desirable to get right the status of Sri S.Srinivasachar early so that it

might be possible for him to function in the higher vacancies of the Department by virtue of his general and technical qualifications in preference to the two non-graduates who come now in between the gazetted place of Assistant to the Director of Archaeology and the non-gazetted place of Technical Assistant.

I strongly recommend that on the analogy of the grade of a second grade Lecturer in the History Department of the Mysore University whose present scale is Rs.150-10-200 and which scale Sri S .Srinivasachar would have also automatically secured had the Department continued under the University, Sri S.Srinivasachar's scale of pay may kindly be revised to Rs.150-10-200 even as a special case. This would not only restore his status but would enable him to act in higher vacancies as occasions demand. The extra cost on this account would be negligible as can be seen from the proposition statement submitted herewith and could be met from the savings of the Department under 'salaries'. In this connection I beg also to invite your kind reference to the last para of my letter No.466 dated 16th January 1948.

Yours faithfully,

L.Narasimhachar

Ag.Director of Archaeology.

From

The Director of Archaeology,
in Mysore, MYSORE.

Sir,

I beg to submit the following prayer for your favourable and urgent consideration.

I was appointed to the post of Junior Technical Assistant to the Director of Archaeology in June 1946, on the recommendations of the Special Committee constituted by Government to select the best qualified candidate for the said post. At that time the post carried the scale of Rs.75-5-150 and was made equivalent to that of a Second Grade History Lecturer in the Mysore University. (Vide G.O.No.E.4689-90/Uni.36-42-36 dated 27th April 1943) The post for which I was appointed by virtue of my high academic and technical qualifications was the seniormost non-gazetted post in the Department. But ~~xxxxxxxxxx~~ owing to the re-organisation of the Department and the reallocation of places thereon ordered by Government recently, Sri D.L. Sesamurthi Rao and Sri R.Chennaiya formerly the Photographer and Painter in this office, and officially Juniors to me, have walked over me in point of seniority. To-day I find myself subjected to the humiliating position of having become junior to the very persons who till now were my juniors. This is not only embarrassing and humiliating to me in the highest degree, but it threatens to shut me from all further prospects of rising in the Department.

My humble prayer to you, Sir, is that this is a fit case for redress and that therefore I might kindly be restored to my original status of seniority by being provided with a better scale of pay on the analogy of the recently revised grade of Rs.150-10-200 which is provided for a second grade Lecturer in the University and which I would have automatically been granted, had the Department continued under the University. My academic and technical qualifications are, I beg to submit, greater than those required of a lecturer in the University and I am working in a non-vacation department with plenty of hard field work to do every year.

5

I believe Sir, at this, my humble prayer will receive your favour kind attention.

Yours faithfully,

S. Srinivasachar
